

(d) Each dormitory facility shall be cleaned daily when in operation to provide a safe and sanitary environment. Student assistance may be utilized; however, the responsibility for the cleanliness, safety, and sanitation of the facility shall rest with the dormitory administrator. Bed and bath linen shall be changed a minimum of once per week. Necessary toiletry items shall be made available to those students who are economically unable to provide them.

(e) Dormitory operations shall have access to clothes washers and dryers. Equipment shall be utilized only for students' clothing. In grades one through six, residential paraprofessionals shall be responsible for the upkeep of clothing. Students in grades seven through 12 shall be responsible for the upkeep of their own clothing. In grades seven through 12, students shall be allowed to wash and dry their clothing after training is given in using the machines. Contracting for student clothing care may also be utilized under this part.

(f) A system of student accountability shall be established at each residential facility. Minimum requirements of the system shall include an attendance procedure at least four (4) times per normal waking day for grades one through eight and two (2) times for grades nine through 12. However, students in grades seven through 12 may be allowed to have a self check-in system provided that an employee reviews the roster within an hour of each designated check-in time. During sleeping hours, students in grades one through eight shall be checked on an hourly basis; students in grades nine through 12 shall be checked every two (2) hours. At the start of each school day, residential facilities supervisors shall report to the school office which students will not be in attendance. An intra-school pass system shall be developed and implemented.

(g) Students shall be permitted to be released from the dormitory overnight, on weekends, or during vacation periods only when prior written approval is granted by the parent or guardian and only if the local school board adopts a policy governing the conditions of release. Such policy must adhere to the

concept that the dormitory/school is acting in "*loco parentis*."

(h) Dormitory facilities shall have a designated room or rooms which shall be utilized as an isolation room(s) for student health care needs. Students isolated in such room(s) shall be checked on a minimum of an hourly basis.

(i) Each dormitory operation shall develop a written procedure for handling emergency situations. Such a procedure shall include names and telephone numbers of the responsible parties to contact in case of emergencies. Situations that shall be considered emergencies include life-threatening medical/health problems, power failures, walkaways, etc.

(j) A tutoring program shall be developed and implemented to assist those students having academic difficulties. Each dormitory operation shall provide a time and place where tutoring, homework, reading, and/or studying can be done for at least one hour daily.

(k) The responsible dormitory supervisor shall be accountable for reporting any hazardous or defective items in the dormitory to the appropriate supervisor and plant manager.

(l) Leisure-time activities shall be provided to dormitory students. These activities may include recreational activities, clubs, arts/crafts, and reading of newspapers and periodicals. Television viewing shall not be considered as structured leisure time unless a scheduled program provides educational benefit.

(m) Lines of communication shall be established with other local social service agencies to assist in the resolution of problems that may extend beyond the confines of the dormitory. These agencies may be State, tribal, or Federal.

(n) Dormitory personnel will receive training in emergency first aid procedures.

#### **§ 36.75 Space and privacy.**

The configuration of sleeping space and other living areas will vary according to the grade levels of the occupants; however, sleeping rooms shall provide sufficient space and privacy for the resident students. The following space and privacy requirements shall

be required for dormitories. A dormitory shall be considered at capacity when the addition of one more student would put the school out of compliance with the space standard; and additional students shall not be admitted for residential purposes.

(a) Dormitory facilities for grades one through eight shall have space footage averaging from 40 to 60 square feet per student for sleeping rooms, exclusive of furniture (wardrobe, desks, beds, etc.).

(b) Dormitories housing students who are in grades nine through 12 shall provide sleeping rooms with a per student square footage averaging from 50 to 70 square feet, exclusive of furniture (wardrobe, desks, beds, etc.).

(c) When new dormitories are constructed or existing dormitories are remodeled, sleeping rooms shall be constructed not to exceed a maximum of four students per room for grades one through 12.

(d) Each peripheral dormitory shall have a set of encyclopedias, one dictionary for every ten students (ADM), and ten other general reference materials such as an atlas or periodical subscription.

**§36.76 Compliance for the National Criteria for Dormitory Situations.**

Implementation of the National Criteria for Dormitory Situations shall begin immediately on the effective date of this part. A dormitory is in compliance when it has met and satisfied all the requirements under subpart H.

(a) The education supervisor(s) or peripheral dormitory supervisor shall report to their supervisor(s) within 45 days after the start of each school term with a compliance report to the local school board that attests to whether a dormitory is in compliance or non-compliance; within 15 days, the compliance report shall be submitted to the Agency Superintendent for Education or Area Education Programs Administrator, as appropriate.

(b) The school supervisor or the peripheral dormitory supervisor shall notify in writing each parent or legal guardian of the dormitory noncompliance status within 60 days after the beginning of the school term.

(c) The compliance report shall contain the following:

(1) A written statement attesting to the fact that the dormitory has or has not met all of the requirements.

(2) A specific listing of the requirements that have not been met.

(3) A detailed action plan designed to correct deficiencies.

(4) A statement signed by the local school board attesting to the fact that it has been apprised of the school's compliance status and concurs or does not concur with the action plan to reach compliance.

(d) The Agency Superintendent for Education or the Area Education Programs Administrator, as appropriate, shall review each dormitory compliance report and shall provide the Director with a detailed report by November 15 each year which shall include:

(1) A list of dormitories indicating those not in compliance.

(2) A detailed statement as to why each school indicated is not in compliance and how it is proposed to reach compliance.

(3) A plan of action outlining what actions the Agency or Area education line officers, as appropriate, will take to assist the dormitories to reach compliance.

(e) In the event a dormitory is not in compliance for two consecutive years due to conditions which can be corrected locally, appropriate personnel actions shall be initiated at all appropriate levels of school/dormitory administration. Noncompliance may be grounds for dismissal.

(f) The Secretary shall submit to the appropriate committees of Congress at the time of the annual budget request a detailed plan to bring all Bureau and contract boarding schools up to the criteria established under section 1122 of Pub. L. 95-561, and 25 U.S.C. 2002. Such plan shall include, but not be limited to, predictions for the relative need for each boarding school in relation to the criteria established under this section and specific cost estimates for meeting such criteria at each school up to the level required by such criteria.
